Multi-State Laws Comparison Tool		✓			This tool is a convenient way for you to view and download labor laws in different states. If you have locations in multiple states, you may be concerned about which state labor laws apply to your business. This easy-to-use resource will generate side-by-side charts that you can use to compare and contrast state laws.
OSHA Log		✓			A turnkey solution that helps you track incidents, generate OSHA mandated reports and create forms—all in a secure, cloud-based environment with 24/7 access.

Web Accessibility Tool		✓			
Custom Job Description Builder			✓		Job descriptions are such an important tool for your employees, but developing them can be stressful. The 'Custom Job Description Builder' helps you make the most complete job description so your employees can achieve their true potential, which ultimately contributes to the success of their business.
Employee Cost Calculator			✓		Understand the complete picture of the true cost when hiring new employees. From compensation and benefits to recruiting, training, office equipment, and other costs, this easy-to-use calculator accounts for those typical expenses you may not necessarily think about when hiring a new employee.
Employee Handbook Builder			✓		Create and communicate your organization's HR policies and procedures quickly and conveniently. Generate custom employee handbooks, branded to any organization, by simply answering a few quick questions. State and federal content is available along with the ability to upload any custom content.
HR Hotline			✓		
HR Self-Assessment Tool			✓		Analyze your human resource competencies to ensure you are creating an environment for employees to thrive. With this tool, you can access your HR management practices, employee relations, recruiting process, training and development process and more. Once a module is completed, explanations will be provided to highlight where improvements can be made.
In-person Interview Question Builder			✓		Build a series of questions to help you learn more about a candidate during an in-person interview. Ensure that you are asking the right interview questions, as these are key to evaluating whether a candidate has the knowledge, skills, and qualities necessary to become a successful employee.
Performance Review Builder			✓		Performance reviews are such an important tool for motivating employees and increasing their contributions to your business, but the process can be stressful. This tool generates performance appraisals based on an employee's occupation, which can be customized with ratings and comments to describe performance issues. The customizable action plan will then help the employee improve their performance, so they can achieve their true potential while at the same time contribute to the success of the business.
Phone Interview Question Builder			✓		Build a customized set of phone interview questions to help you narrow your pool of job applicants. Ensure that you are asking the right interview questions, as these are key to evaluating whether a candidate has the knowledge, skills, and qualities necessary to become a successful employee.
Salary Benchmarking			✓		Using this tool, you can search compensation and pay structure reports either annually or by the hour. What's more, salary benchmarking survey information can be viewed and compared nationally, by state or within a state (narrowed by region or metro area). You will have access to salary data on over 800 job positions right at your fingertips.
Sample Job Descriptions			✓		
Total Compensation Statement Builder			✓		It's easy for your employees to think of total compensation simply in terms of salary, but it's so much more than that. This step-by-step tool generates a total compensation statement for you in minutes, which, in turn, helps you educate employees on the value of their benefits.
Learning Management System (LMS)				✓	Our interactive LMS that facilitates employee and manager training with professionally produced training courses. Stay on top of compliance and safety with this learning management system.
